## IN MEMORIAM

In the past year the Town of Hooksett was saddened by the death of two of its outstanding citizens. Mr. John B. Muluire of Hooksett Village and Mr. Arthur Donati of South Hooksett.

Arthur Donati, had been a resident of the Town of Hooksett since 1930. The avocation of Mr. Donati's mature years consisted largely of efforts to make the Town of Hooksett a better place in which to live, his activities in helping to pioneer our present school system and his untiring efforts to bring new industry to this town are but a few of his countless endeavors to be of service to his community.

Mr. Muluire, a life long resident of Hooksett will be remembered for his many years of service as the Town Health Officer and for the years that he represented the Town as a member of the State Legislature. Mr. Muluire's contributions in service, to his state, town, church and neighbors was in the best tradition of good citizenship.

# TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF HOOKSETT  
IN THE COUNTY OF MERRIMACK IN SAID STATE,  
QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Hooksett Memorial School Auditorium in said Hooksett on Tuesday, the fourteenth (14th) day of March next at ten of the clock in the forenoon, to cast your ballots for Town Officers. Polls close at 6:30 P.M., action on remainder of warrant starts at 7:00 P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To vote on the Proposed Amendment to Zoning Ordinance of Hooksett, New Hampshire. Upon Petition of twenty-five legal voters of the Town, the Hooksett Planning Board submits the following proposed Amendment to the Hooksett Zoning Ordinance to the voters of the Town, as provided in RSA 31:63A:-

Amend the boundary definitions of the Zoning Districts of the Town of Hooksett by deleting the following described tract of land from paragraph 5 under "Industrial Area" and inserting said tract as paragraph 18 under "Residential Areas", thereby changing the zoning classification of said area from Industrial to Residential.

All that tract of land described as follows: Beginning at the northeasterly corner of the lot owned by Russell A. Poirier and proceeding in a westerly direction along Rosedale Street to the corner of Rosedale Street and Route 3-A and River Road; thence proceeding in an easterly direction to the southeast corner of the land

owned by Thomas Prindiville; thence proceeding in a northerly direction along land of the Odd Fellows Ass'n, to the point of beginning. (On Town Ballot).

3. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1967 taxes, to be repaid therefrom.
4. To see if the Town will vote to give a discount of two percent (2%) on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.
5. To hear the report of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed and to pass any vote relating thereto.
6. To see if the Town will vote to raise and appropriate the sum of six hundred eleven dollars and forty one cents (\$611.41) the State to furnish four thousand seventy six dollars and four cents (\$4,076.04), the same to be expended under the State Highway Department for Class V Town Road Assistance or take any action thereto.
7. To see if the Town of Hooksett will vote to authorize the annual expenditure of five hundred dollars (\$500.00) to support the operation of the Emergency ambulance by the VFW. Past No. 2860. (Inserted by Petition)
8. To see if the Town will raise and appropriate the sum of three hundred seventy two dollars (\$372.00)

(.10 cents per capita based on the 1960 census) as, a membership fee for inclusion in the Southern New Hampshire Planning Commission.

9. To see if the Town will vote to petition the New Hampshire State Tax Commission to reassess the Town for tax purposes, and to raise and appropriate the sum of Five Thousand three hundred and thirty three dollars (\$5,333.00) in the current fiscal year (1967) the balance of the estimated (\$16,000.00) cost of such reassessment to be raised in equal installments in the years 1968 and 1969.

10. (1) - That the town of Hooksett, N.H. appoint a full time chief of police as originally approved at town meeting of March 9, 1965. That he be empowered to appoint a deputy chief of police. That the sum of \$5,000.00 be appropriated yearly for the deputy chief, annually. This is in addition to the \$6,000.00 annually approved for the chief. That two more full time police officers be appointed at a salary to be worked out by the chief and the selectmen. That an annual appropriation of \$1,000.00 be made for these men. Unused portion to be returned to town. That an appropriation of \$3,000.00 be made for an additional police cruiser, to be equipped with some firefighting equipment and emergency first aid. With the addition of the above the Town of Hooksett will have full time police protection with a police officer on duty 24 hours a day seven days a week. The town of Merrimack, N.H. has had this for the past year. It is smaller in population and does not have anywhere near the amount of businesses. The importance of a full time efficient police department cannot be over emphasized, for the protection of our children, our homes, our businesses, and our roads.

(2) That the selectmen, our representatives, our state senator, and our councilor be told to do everything in their power to try to get the N. H. State Highway Department to speed up construction of the portion of the beltline through the intersection of D.W. Highway North or Route 3. That everything possible be done to have a complete cloverleaf intersection. As Route 3

was the third busiest stretch of highway in the state, why is construction being rushed in other areas which already have interstate highways completed, or in areas with much less traffic. The importance of a complete intersection cannot be overlooked for the future growth of Hooksett. It is recommended that officials work with any group representing businesses or citizens now existing or that will be formed in the future.

(3) That article pertaining to the election by secret ballot of the budget committee as passed overwhelmingly at March 9, 1965 be amended to read that the present method of appointing the budget committee by the moderator, be eliminated, and that they instead be elected as provided for in state law. That one third be elected annually. There was some question about this article being legal as it did not say that the present method be void.

(4) That article 27 in town report of March 9, 1965 be voted on. There was some confusion on this article as a motion was made at the beginning of the town meeting that any and all persons wishing to be heard be allowed to do so. This motion passed overwhelmingly. However, this motion was made for that meeting only. In order that all voters have the privilege of free speech at all town meetings, the article will be reinserted.

The moderator at this or any future meetings shall not ask for a vote on any motion made and seconded to pass over or adopt until all persons who want to be heard shall be heard and all discussions ended. All procedures followed previously shall be void.

(5) In order for the people of Hooksett be better informed as to the costs of operating or replacement of any vehicles used or purchased by the town, itemized costs shall be printed annually in town reports, using format used by trucking or other companies using graders, trucks, etc. Breakdowns will be in less than five categories like Gas and Oil, Repairs, Maintenance, Tires, etc. All vehicles shall be numbered and expenses for each vehicle shall be marked for the number used for it. This will make it easy for people to see when vehicle should be replaced because of high cost of

repairs, etc. It will also make it easier for person or department which has vehicle to show need for replacement. Previous methods shall not be used.

(6) That all buildings owned by the town shall have expense or monies spent on them listed out so that people can see exactly what buildings are costing to own or maintain. Categories should include repairs, maintenance, heat, lights, cost of mortgage, interest, etc. Listings shall be separate for each building. Format to be followed is the one usually recommended by internal revenue on property privately owned. All methods used previously shall not be used.

11. To see if the Town will vote to accept the Budget, as submitted by the Budget Committee, or take any other action in relation thereto.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and sixty-seven.

James G. Follansbee  
Leslie M. Pike  
Armand J. Roberge  
Selectmen of Hooksett, N. H.

A true copy of Warrant -- Attest:

Selectmen of Hooksett, N. H.

# ABSTRACT OF ACTION TAKEN

Record of Minutes of Town Meeting  
Hooksett, N.H. March 8, 1966

Meeting called to order at 10 o'clock A.M. by Moderator George A. Cook. Moderator proceeded by reading the Warrant, to and including Art. no. 3. Selectmen's certificate of posting warrant read and certified to.

Ballot clerks serving at this meeting: Cara Hall (D), Joyce Emerson (R), Laurette Morin (D), Edith Rice (R), Lillian Zapara (R), Irene Kate (D); Dorothy M. Squire, Ass't Town Clerk, Roland Levesque, Ass't Moderator. Polls declared open by Moderator at 10:10 A.M. 10 specimen ballots were posted in and around the polling places, as were copies of Purity of elections laws and instruction to voters, prior to opening the meeting. Copies of instructions to voters posted within each voting booth.

Upon motion of Ray Langer, voted to keep polls open for the duration of voting on articles in the Warrant. Voting for school district officers was carried on concurrently with that for Town officers on separate ballots, both types of which were presented the election officials upon the opening of the polls by the Town Clerk and School District Clerk.

At 7 P.M., meeting was called to order for voting on articles in the Warrant by Ass't Moderator Armand J. Raberge, who had been previously sworn in to act in the capacity of Moderator for this meeting. Each article was read and acted upon separately as follows:

## ARTICLE 1

Officers chosen in open meeting not on ballot were nominated from the floor in that separate motions for each of the three categories were made from the floor and duly seconded, namely: Surveyors of Wood and Lumber, Weighers of Commodities, and Fence Viewers.

Stanley Spiewak, Alfred Rousseau, Warren Douglas, and William Courser, Surveyors of Wood and Lumber.

Homer Enderson, Rutger Braek, John Bates, Leslie M. Pike, Roland Casey, and James Gilbert, Weighers of Commodities.

George A. Cook, Melvin Johnson, Roland Boisclair, and Roland Gagnon, Fence Viewers.

The Town Clerk was authorized to cast one ballot in each category to elect the above officers, who were duly sworn to office.

## ARTICLE 2

Calling for vote, yes or no, at the bottom of the Town Ballot, on the subject "Shall the Subdivision Regulations, as proposed by the Planning Board, be adopted for this town", was not acted upon in open meeting (see result of vote on this subject at end of minutes for this meeting).

## ARTICLE 3

To vote on the question, "Shall proposed Amendment to the Town's Zoning Ordinance relative to Airport Zoning as submitted by the Planning Board be adopted for this Town". Question at bottom of Town officer ballot. (See result of vote on this subject at end of minutes for this meeting.)

## ARTICLE 4

Voted that the Town give a discount of two (2) per cent on all taxes, except poll taxes paid on or before July 15th and to grant the Selectmen authority to extend this date if unable to obtain tax rate from State Tax Commission as of July 1st.

## ARTICLE 5

Upon motion made, duly seconded, it was voted to authorize the Selectmen to hire money in anticipation of the 1966 taxes to be paid therefrom.

## ARTICLE 6

Motion made and seconded that the reports of the Selectmen, Town Treasurer, Agents, Auditor, and Committees be adopted as printed and it was so voted.

## ARTICLE 7

Voted that the town raise and appropriate the sum of six hundred fifteen dollars and fifty eight cents (\$615.58), the State to furnish four thousand one hundred three dollars and eighty four cents (\$4,103.84) to be expended by the State Highway Department on Class V Town Road Assistance.

## ARTICLE 8

Moved by Warren A. Harvey, seconded by Roger E. Hebert that the town raise and appropriate the sum of \$1,475,800.00 for the purpose of financing and constructing a municipal sewage disposal system, including sewerage, interceptors, pumping stations, treatment works and such other related facilities inclusive of land acquisition, easements and rights of way as are required, such sum to be raised by the issuance of not exceeding \$1,475,800.00 in Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (Chapter 33 of the New Hampshire Statutes Annotated 1955 and any Amendments thereto) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Hooksett. A voter inquired as to the reason for not reading the last six words of the article and the maker of the motion stated that that section should be included also, which read - "And pass on any vote, relating thereto." Questions were raised as to what percent of the property owners would be serviced; whether everyone had to share in the initial cost, and what it

would cost for installation, at a later date, of another pumping station which would increase facilities to cover approximately 85 percent of the town. Answers were given by Selectman Morin after consultation with engineer Morgenrath as follows: The amount involved would be expected to cover service to approximately 50 percent of the property owners. Everyone would share in the cost of installation whether or not they were users of the system, but only those who would be connected would pay operating costs; additional cost to cover 85 percent of the town, estimated at \$80,000 to \$100,000.

There being no further discussion, Moderator announced a YES and NO vote to be taken by the voters, using the check list. A vote of YES would indicate acceptance of the article, a NO vote would call for its defeat. A two-thirds vote in the affirmative being required for its passage.

Robert Tuttle, Bradford Brooks, and William Lambert were appointed tellers under the supervision of Maurice Boisvert, Supervisor of the Check-list.

State of balloting showed a total of 391 votes cast: YES 270, NO 121. As 261 YES votes were required for passage, Moderator declared Article 8 adopted.

#### ARTICLE 9

Harold C. Murray moved to authorize the Selectmen to apply, negotiate and do all other things necessary to obtain such Federal, State or other assistance as may be available in the construction of a sewerage disposal system – seconded and so voted.

#### ARTICLE 10

Moved by Francis Gray that the town adopt the provisions of Chapter 252 of the Revised Statutes Annotated relative to the Construction and operation of sewers and sewerage treatment facilities in the Town of Hooksett. Motion seconded and article declared adopted by the Moderator.

#### ARTICLE 11

Motion made and seconded that this article be adopted - To establish a Board of Sewer Commis-

sioners, consisting of three members, which Board shall perform all of the duties and possess all of the powers conferred on Sewer Commissioners by RSA 252:19; and if this article shall be adopted, to elect by ballot three sewer commissioners, one for three years, one for two years, and one for one year. Moderator then asked for nominations from the floor - Melvin A. Johnson nominated for 3 year term, Peter Zela nominated for 2 year term, Carl S. Park nominated for 1 year term. Questions were asked and answered relative to qualifications of the nominees. Francis Gray moved nominations be closed, seconded and so voted. Moderator stated that under Chapter 252 RSA that chair could decide whether ballot vote or voice vote be taken, he elected to take a voice vote except if same was objected to by seven voters, a ballot vote would be taken. No objection being stated, voice vote was called for resulting in the unanimous election of Melvin A. Johnson, Peter Zela, and Carl S. Park for terms of three, two, and one year respectively. All duly sworn to office.

#### ARTICLE 12

Motion made and seconded that the town ratify Chapter 469 of the Laws of 1965 changing part of the boundary line between the towns of Auburn and Hooksett (full description of boundary lines included in said article) clarification of this article given by Selectman Morin who advised that change in boundary lines had already been acted upon by the General Court with ratification being necessary by the towns involved. Moderator stated that vote on this article could be by either a YES and NO vote or voice vote if there was no dissension. There being none voice vote called for and Moderator declared Article 12 adopted by unanimous voice vote.

#### ARTICLE 13

Motion made and seconded that this article be adopted. Question raised by a voter as to reason for same. It was explained that under the Federal program, if towns did not participate in same, it would possibly result in failure to procure any Federal funds

presently and in the future. Voice vote called for by the Moderator, the result being in the affirmative, adapting the provisions of Article 13 to participate in the Urban Planning Assistance Program, and appropriate \$4,000.00 as the Town's share of the total cost. (Federal grant \$8,000.00)

#### ARTICLE 14

Ralph W. Page moved and it was duly seconded that Article 14 be adopted to raise and appropriate the sum of \$24,000.00 for the purchase by bid, of a new front loader, the sum to be borrowed on the credit of the Town and amortized over a period of six years, principal yearly payments to be withdrawn from Capital Reserve Fund of the Town. Question raised as to need and use of the equipment covered by this article. Answered by Bernard Zapora, who explained various uses, and that same would include a back-hoe. Moderator called for voice vote on the motion, which was in the affirmative and so declared.

#### ARTICLE 15

Upon motion of Robert Tuttle, duly seconded, it was voted to adopt the Emergency Succession Ordinance affecting all Town Officers as defined in RSA 108A and printed in the warrant in its entirety.

#### ARTICLE 16

Moved by Harold Murray, duly seconded, it was voted to raise and appropriate the sum of \$500.00 for the purpose of conducting a survey in the South Hooksett Water Precinct relative to supplying water in that area.

#### ARTICLE 17

Upon motion of Harrison Rollins, duly seconded, it was voted to raise and appropriate the sum of \$5,000.00 for the purpose of constructing a utility building at the Little League Baseball Park, the sum to be borrowed on the credit of the Town, same to be amortized over a three year period.

#### ARTICLE 18

Upon motion of Roland Levesque, duly seconded, it was moved to adopt Article 18 as read. Question asked as to whether this article would apply to schools, churches, service organizations and charitable organizations. Police Chief Rice said this was not intended. It was then moved by Francis Gray that section 4 of this article (last paragraph) be amended to read: No fee, or permit shall be required for Churches, service organizations, schools and charitable organizations - motion seconded and so voted. Another amendment was offered to change the wording of paragraph 1, but not seconded. Moderator called for voice vote on article 18, as amended and same being in the affirmative, was declared adopted.

#### ARTICLE 19

Upon motion of Pauline Woodworth, duly seconded, it was voted to accept the budget as submitted by the Budget Committee.

#### ARTICLE 20

Upon motion made and seconded, it was voted to authorize the fire department to go to the aid of Allentown and Pembroke departments, and to other towns and cities within the State as provided in RSA 154:24.

Upon motion made and seconded, Moderator declared voting on Articles in the Warrant closed at 9:40 P.M. At this point Selectman Marin, who is vacating this office after fifteen years service, read a prepared statement of appreciation of the support given him by all concerned, following which he was extended a standing ovation for his long and dedicated service to the Town of Hooksett.

#### Total number of ballots cast - 802

Vote on Article 2 - "Shall the Subdivision Regulations as proposed by the Planning Board be adopted for this town?" YES 390 NO 250

Regulations were printed in full in the 1965 Town Report and two required public hearings were previously held. Copy of proposed Subdivision was on file in the Town Clerk's office from January 10, 1966 to cover statutory requirements.

Vote on Article 3 - "Shall Proposed Amendment to the Town's Zoning Ordinance Relative to Airport Zoning as submitted by the Planning Board be adopted by this town?" YES 451 NO 180

Copy of proposed Airport Zoning Ordinance on file in Town Clerk's office and required hearing previously held on this subject.

Those officers for whom a majority of votes was cast as well as those unopposed, were declared elected by the Moderator and were duly sworn to office, following which, the Moderator, upon motion so to do, declared meeting adjourned at 11:55 P.M.

## **SELECTMEN'S REPORT**

To All Residents of the Town of Hooksett:

Once again it is our privilege and pleasure to submit herewith our annual report on the state of municipal affairs in the Town of Hooksett for the year 1966.

(1) Taxes--Although the 1966 tax rate was substantially higher than in 1965, our rate of residential growth was perhaps the greatest of any year in the history of our town. Approximately one hundred new homes were added to the tax role for 1966. The rise in the 1966 rate was due to a combination of two factors; (a) a sharp decrease in Commercial evaluation due to the removal of Raytheon Co. and Swartout & Co. and (b) a considerable rise in the amount of the School District Budget. It is the considered opinion of the Board of Selectmen that we will regain the Commercial losses of 1966 in 1967 with the addition of The General Electric Co. and The General Cable Co. added to our list of Commercial enterprises. The residential growth of 1965 has been sustained throughout 1966.

(2) Articles in the 1966 Warrant--All articles in the 1966 Warrant which were voted upon in the affirmative have been implemented according to the provision of the same. Article 8, raising and appropriating the sum of \$1,475,800.00 for financing a Municipal Sewage Disposal System has been acted upon. An excellent progress report, prepared by the Board of Sewer Commissions appears elsewhere in this book. Article 12, pertaining to the Hooksett-Auburn Town Line was voted for in the affirmative, a similar article inserted in the Auburn town warrant was voted upon in the negative as a result the town line remained in its past position. The Hooksett Selectmen and Auburn Selectmen then took the necessary steps to correct the tax roles and service responsibilities of the respective towns. It is with regret that we have lost as citizens, several families located in this area.

Article 13 raising and appropriating the sum of \$4,000.00 as the towns' share of \$12,000.00 (Federal Grant \$8,000.00) to participate in the Urban Planning Assistance Program was voted upon in the affirmative. The implementation of this article was turned over to the Planning Board, a report of their activity appears elsewhere in this book.

The new frontend loader purchased under Article 14, has been an excellent addition to our Highway Department equipment, the value of this machine has been especially shown in the snow plowing operation involving school and church parking lots.

The five hundred dollars appropriated under article 16, for the use of the South Hooksett water precinct in helping the precinct to institute engineering surveys relative to the procurement of water for that area, has been used to good advantage by the commissioners of the precinct.

The Utility Building, constructed on the site of The Little League Base Ball Park with funds appropriated under Article 17, has been a welcomed addition to growing and successful town recreation program.

(3) Services--The Board of Selectmen wish to take this opportunity to thank Mr. Bernard Zapora of the Highway and Scavenger Department, Chiefs Collette and Law of the Fire Departments, Chief Rice and Deputy Chief Nolette of the Police Department for their fine spirit of Cooperation with this board in maintaining the high level of accomplishment in service involving their departments, surely these services are a distinct factor in the growth and progress of this town.

(4) Planning and Development--As the population of the Town of Hooksett increases, as the demand for more and better service grows, as our school situation becomes more complex so there must be the need for future planning to keep pace. Our planning board has thus become a major factor in the development of the Town of Hooksett. We are indeed fortunate that we have commanded the services of this group of dedicated men under the chair-

manship of Mr. Warren Harvey. The duties of the planning board in the future will of necessity become more complex, they will be charged in conjunction with the board of selectmen with the administration of the Town Subdivision ordinances, their advice and recommendation will be sought in the procurement of Federal and State matching funds, they will represent the town on Regional Planning Commissions and lastly in order that we may maintain orderly growth and development and a somewhat stable tax rate, their services will be required in an increasing spiral.

(5) In Memoriam--In the past year the Town of Hooksett was saddened by the death of two of its outstanding citizens. Mr. John B. Mulaire of Hooksett Village and Mr. Arthur Donati of South Hooksett.

Mr. Mulaire, a life long resident of Hooksett will be remembered for his many years of service as the Town Health Officer and for the years that he represented the Town as a member of the State Legislature. Mr. Mulaire's contributions in service, to his state, town, church and neighbors was in the best tradition of good citizenship.

Arthur Donati, had been a resident of the Town of Hooksett since 1930. The avocation of Mr. Donati's mature years consisted largely of efforts to make the Town of Hooksett a better place in which to live, his activities in helping to pioneer our present school system and his untiring efforts to bring new industry to this town are but a few of his countless endeavors to be of service to his community.

(6) Conclusion--The continuing steady growth and development of the Town of Hooksett precludes any definite future scheme of municipal pattern. On the other hand we can be reasonably sure that we will continue to grow and as a result we should be ever mindfull that it will be necessary to anticipate the needs occasioned by this growth many years in advance, if we are able to accomplish this, then we will have achieved progress and this Town will continue to be an attractive community in which to live.

As we bring this letter to an end, your board of Selectmen certainly hope that you have found this Town Report to be of sufficient interest to sharpen your thoughts as to the welfare of your town. The expression of your thoughts can be of inestimable value in the administration of the Town of Hooksett.

Town Meeting will be held on Tuesday, March 14th. The polls will open at ten o'clock in the morning and articles of the warrant will be taken up at 7:00 P.M. of the same day. Please be present.

Sincerely yours,

James G. Follansbee  
Leslie M. Pike  
Armand J. Roberge

BOARD OF SELECTMEN

The background of the entire page is a dense, overlapping pattern of various United States coins, including pennies, nickels, and dimes, some showing the profile of George Washington and others showing the Union Shield.

# **REPORT OF THE BUDGET COMMITTEE**

## **GENERAL COMMENTS**

Once again, the Budget Committee was gratified to see the obvious devotion of the various public servants of the Town of Hooksett, N. H., to the task of providing the best possible facilities and services for all Citizens for a minimum of tax dollars. It seems very unlikely that a more conscientious group could be found in the State. Many of these persons serve for little or, in many cases, no compensation and, very often, with little recognition for their efforts. We feel that they should be congratulated for the fine job they are doing.

Although attendance at the Open Budget Hearing on February 6, 1967, was improved over the prior year by about 50%, we feel that not nearly enough of the Citizens of the Town are availing themselves of the opportunity to really learn what makes our Town "tick" from a financial standpoint. Based on suggestions offered at the hearing last year, we provided a booklet containing detailed 1966 expenditures and requested Budgets for 1967, for all Departments, just as they are submitted to us for action. We asked that those persons present raise any and all questions or make any comments that they felt were pertinent. All, or most, of the Departments were represented so that all questions were answered accurately and when the meeting adjourned at 11:30 p.m., a very highly informed group of Citizens and Voters left to return to their homes. We would like to take this opportunity to thank those who were able to attend and to encourage those who were not, to attend future hearings. There is no better time or place to become informed about the government of your Town, its services and their cost -- not even at the Town Meeting will anyone have the opportunity to gain so much insight into the intimate details of the operation of the Town.

The Budget Committee was faced with several difficult and distasteful decisions this year in our attempts to determine the "financial wisdom" of certain items, when viewed in the light of the overall budget picture and the financial position of the Town. We found it necessary to make reductions in certain areas, as described in the following paragraphs, even though we had no argument with the basic principle of what was trying to be accomplished. Perhaps if we make a general suggestion to those persons or groups of the Town who are contemplating requesting changes relative to Town facilities or services, we may be able to make better progress in the future.

It is our feeling that the Selectmen and other Town officials are very cooperative and are certainly open to suggestions which will enable them to do a better job for the Town and its Citizens. With this in mind, we respectfully suggest that persons who desire changes in, or additions to, Town facilities should contact their Selectmen and Town Officials with their ideas. There are many public records available which can be of great assistance in formulating the best approach to making a change, and a wealth of knowledge and experience in Town matters is available from Selectmen and other Town Officials. Regardless of whether or not these people agree with an idea, personally, we are certain that they will cooperate with any Citizen by supplying him with facts, figures and general information which is of interest. It is even possible that the parties desiring the change may be furnished with strong enough reasons that they may wish to drop the matter, or on the other hand, may find that they have the complete support of their Town officials, which will be of immeasurable assistance. To sum up -- Secure the facts, figures and information about the subject and secure the opinions of the Town officials, first hand, as to the reasonableness of the idea so that you may proceed to make a reasonable and practical suggestion in the form of a Budget item or an Article in the Town Warrant. We are certain that this will make for a far more efficient approach to proposed changes in the future.

#### TOWN BUDGETS

Although there is an overall increase in these Budgets of approximately \$20,000., you will find that \$8,000. of the increase is due to an emergency situation described in detail in the Highway Dept. section. In the following paragraphs, we will attempt to discuss briefly the major items which we feel are worthy of mention.

**Town Officers Expenses:** We think it pertinent to mention, first, that this caption is a bit misleading because it tends to make one feel that these funds are used to subsidize the expenses of a small group of Town officials--this is not so. Those persons who attended the Open Budget Hearing received a detailed listing of the expenditures for the previous year and are now aware that this fund covers a very broad area of the expenses of the Town. A \$3,000. increase has been requested and approved, and is due to small increases in

many areas too numerous to mention. We are satisfied that the funds will be spent prudently providing services to the Town's Citizens and in the very important task of promoting the Town, so that we may continue to attract new industries and families to settle here.

**Highway Department:** Due to the accident which occurred recently, involving our Rubbish Truck, it was necessary to increase the Rubbish Collection Budget by \$8,000. which is the estimated amount, after estimated insurance recoveries, necessary to put a new Rubbish Truck into service with the least possible delay. We approve the amount requested, unanimously.

Under the item, "New Construction", an amount of \$13,000. has been requested and approved by the Budget Committee. This represents the estimated cost to pave newly accepted roads and is certainly a necessary expenditure in a rapidly growing community such as Hooksett. The adoption of this item will also serve to allow the "Resurfacing" item of \$6,000 to be used for the purpose for which it is intended rather than for new roads as has sometimes been necessary in the past.

**Parks and Playgrounds:** A request for a 1967 Budget of \$19,692. was submitted by this department and the Budget Committee has reduced this figure to \$5,310. which represents an increase over the 1966 Budget of approximately \$1,000. Although we cut this Budget request severely, we do not want our action to be construed as criticism of the Parks and Playgrounds Committee because they have made great progress in the establishment of a continuing, supervised Recreation Program with necessary facilities during their short existence as a Town department. In most cases, we agree with the idea for the intended use of the funds requested, but we did not feel that we could justify some of the larger items from the standpoint of the overall financial burden to be placed on the Town in a single year. We will attempt to explain, in detail, our reasons for the drastic reductions in the following paragraphs:

A request was made for \$1,800. for "Village Tennis Court Wings" which we deleted completely from the Budget. It was the general feeling of the Committee that it would be best to attain the renovation of these courts a step at a time and, since the court is to be resurfaced this year, perhaps the balance of the project can be off until another time so as not to place too great financial burden in one year on one project.

A request was made for \$800. for "Bleachers for Ball Parks (4)". We approve this request with one reservation--Before the Bleachers are purchased, it should be definitely determined that the Town can secure the liability insurance coverage which will be necessary in the use, by the general public, of this equipment and that the annual cost of the insurance will not be prohibitive.

A request was made for \$11,882. for "Industrial Park Landscaping" which we deleted completely from the Budget. It is our understanding, that the

Parks and Playgrounds Committee was asked to secure a price to landscape the area in front of the Park which faces the Daniel Webster Highway and this request represents the estimated cost of loam, seed, fertilizer, etc. to install grass such as the type used in a lawn for a residential dwelling. It is our feeling that experts should be requested to make suggestion and furnish the estimated cost of various different methods of landscaping or beautifying this area. It is our opinion that the proposed method of landscaping, with grass, is far too expensive from the standpoint of original cost and cost of future maintenance. We have the further possibility that we could lose the entire investment in the event that drought conditions continue in our area. The thought of making the area more attractive to industries which might settle in Hooksett, by making the area more attractive, is an excellent one from the standpoint of Town promotion and should be followed-up in the future as this is a prime source of revenue and growth for the Town. Our general feeling is that the task can probably be accomplished in a more practical and less expensive way, although it is our understanding that when the request was made to the Parks and Playgrounds Committee it was not presented to them in such a way as to leave the method open to suggestion.

A request was made for \$1,100. for "Jacob's Park", which, we understand, was to be used to completely install a new lawn area to replace the existing one. We have reduced the amount to \$400. in the Budget with the recommendation that the reduced amount of funds be used to renovate the existing lawn rather than replace it. It was the feeling of the Committee that to tear out an established lawn area is usually a last resort method of correcting this type of problem in this day of modern fertilizers, and methods of top-dressing and reseeding, etc. to strengthen existing grass and that we would run less of a risk that the entire area could be lost considering, again, the possible continuance of the drought and the high cost of maintaining and encouraging a new lawn area with continuous care.

Article: The request for funds to establish a full-time, four man police force and purchase an additional police cruiser was disapproved by the Committee. The Committee agrees that there is a possibility that the need exists for additional police officers on a full-time basis, but also agreed, unanimously, that the plan and amount of funds suggested represented too drastic a plan for accomplishment in a single year. It is also the opinion of the Committee that such a plan could be worked out on a more reasonable and practical basis if done in cooperation with the Selectmen and Chief of Police.

All other articles requesting funds are submitted with a recommendation for approval by the majority of the Budget Committee.

#### WATER PRECINCTS

All Water Precinct Budgets were approved, without change, by the Budget

Committee. We would like to call attention, again, to the excellent job being performed by all of the Precincts, particularly under the drought conditions of past years. We would also like to commend them for having accomplished, almost completely, water meter installation, which will tend to make for more equitable distribution of the cost of water, based on actual consumption rather than average consumption.

#### SCHOOL DISTRICT

The School Board deserves the gratitude of the entire population of the Town for their obvious effort to submit a conservative and realistic Budget for 1967-68--It was approved unanimously, without change, by the Budget Committee.

We would like, particularly, to call attention to the basis used for increases in Salaries in the 1967-68 Budget. They have been based, primarily, on experience or years in service, which, in our opinion, is an equitable method of determining the amount of increase deserved.

Article #1: The request for funds for a walk-in freezer at a sum not to exceed \$6,500. is submitted with a recommendation for approval by the Budget Committee.

Article #3: The Budget Committee congratulates the School Board for their foresightedness in preparing for the increased demands upon the Town's School facilities and recommends approval of their article relative to the addition to the Village School.

Article #4: Although we can see no reason for objection to the sale of the strip of land for the price indicated, it is the feeling of the Committee that the Citizens of the Town should make their own decision, based upon the facts presented by the School Board--consequently we submit this item, without recommendation.

#### CLOSING COMMENTS

The entire Budget Committee would like to express their appreciation for the complete cooperation received from all of the Town Officials. The ability to complete our review of expenditures and proposed budgets during the limited amount of time available to us depends heavily upon this cooperation and no Town Official has ever failed to provide it to us.

It is our sincere hope that we have reviewed the Proposed Budgets fairly and wisely and have provided the Citizens of the Town of Hooksett, N. H., with sufficient information to enable them to cast their votes at the Town and School District Meetings with the feeling that they are well informed.

Respectfully submitted,  
THE BUDGET COMMITTEE

OUTGOING -- INCOMING -- Mrs. Sarah M. Hardy, seated, and Mrs. Joyce Emerson look up from going over a Hooksett tax collector's book. Mrs. Hardy, 72, will retire the first of the year after 18 years as Hooksett tax collector. Mrs. Emerson, who is the town clerk, will be appointed to finish out Mrs. Hardy's term, Hooksett selectmen said recently. Mrs. Emerson said she plans to run for both the town clerk and the tax collector posts in March.

## *Hooksett Citizen of the Year*

**1966**

Selected by the Hooksett Men's Club as Hooksett's outstanding citizen of 1965 for his many years of unselfish devotion to his community, church and neighbors.

### PREVIOUS RECIPIENTS

1959	Fred Underhill
1960	George Cook
1961	Charles Hardy
1962	Rena Watson
1963	Arthur Donati
1964	Rutger Broek
1965	George Robie

OSCAR MORIN, JR.

## HOOKSETT SALVATION ARMY SERVICE UNIT REPORT

Once again the Hooksett Salvation Army had the great privilege of helping your neighbors in many cases of stress and emergency. Through your generosity, we were able to help 34 times with 42 children being involved. The Unit was able to provide furnishings and clothing because some of you called and let us know that you had something useful that you no longer needed. The YPF of the Congregational Church made a fine collection of canned goods that we were happy to distribute. The Knights of Columbus provided us with three very abundant Thanksgiving baskets to give families who had a need at that time. The Girl Scouts made scarfs, mittens and slipper socks which we added to our Christmas gifts. Sunday School children from the Congregational Church brought their "white gifts" to us for distribution. Because our donations were much less this year, we asked the Dearjead Sportsman's Club for help, and the ladies came through with gift certificates for some of our older children.

Through a misunderstanding, many folks in town thought we were a member of the United Fund that now encompasses Hooksett and surrounding towns. We were not this year, but next year we will be a member and receive our funds from this source. Our annual

Christmas Appeal will still be mailed, as there are many who enjoy giving for those who would have very little at this happy time of year. Your Salvation Army often refers many folks to the other agencies of the United Fund, however, because each organization has its special job, and we in the Salvation Army Service Unit have no real training when other than material help is needed.

We have been very pleased to get many calls this year from folks who had a concern for their neighbors, and we were able to give that bit of a helping hand. It might be suggested that when someone calls at your door for help, call your Hooksett Unit. You provide us with the funds to take care of these situations. We may know of the problem and would be better equipped to help, being part of a very large organization.

Any of the following members may be contacted:

Mrs. Palmer Woodworth	1156 Hooksett Rd.
Mr. Sidney Nichols	Farmer Rd.
Mrs. Esther O'Brien	Turnpike Rd.
Mrs. Beatrice Bourbeau	Elmer Ave.
Mr. James Follansbee	South Main Street

## PUBLIC WELFARE

### REPORT OF OVERSEER OF PUBLIC WELFARE

Charles E. Woodbury

January 1, 1966-December 31, 1966

#### Old Age Assistance Program and Aid to Totally Disabled

The above programs are financed by Federal, State and Town Appropriations with the Town paying twenty-five percent of the total cost of the Old Age Program and thirty-five percent of the Totally Disabled cost of benefits given local recipients.

Town share	\$5,253.77
Reimbursements from deceased persons estates	437.86
Budget recommendation for 1967	5,500.00

---

Town direct relief expenditures	\$1,317.46
Reimbursement for child care	15.00
Budget recommendation for 1967	\$2,500.00

---

Soldiers Aid Program	\$145.00
Budget recommendation for 1967	\$300.00

Respectfully submitted  
Charles E. Woodbury

## THE VISITING NURSE ASSOCIATION

The services of the Visiting Nurse Association are available for all of the residents of Manchester, Auburn, Bedford, Candia, Goffstown and Hooksett regardless of race, creed, or ability to pay. The Association is a home health agency certified to care for Medicare patients.

The Visiting Nurse provides bedside nursing care and treatment according to the directions of the patient's physician. She gives the supervision and therapy that are needed for the rehabilitation of the patient. Instruction in maternal and infant care during pregnancy and after the baby comes is another important service.

The Visiting Nurse is also a health teacher who gives family health guidance.

Mrs. Ethel Partan, R.N. made 98 visits to 27 families in Hooksett since the United Fund initiated this service in April 1966.

The physician, patient, family, or friend may call the Visiting Nurse Association for service. Call 622-3781, Monday through Friday, 8:430 p.m., 194 Concord Street, Manchester, New Hampshire.

## ANNUAL REPORT OF FOREST FIRE WARDEN 1966

The Town of Hooksett has answered fifteen Forest Fire Calls during 1966. A total of 13 1/4 acres was the area burned. This is 27 1/2 acres less than the previous year. We have also had four forest fires less in 1966. I believe that reduction of Forest Fires or Brush, etc. was kept down due to the State of New Hampshire Forest Fire Service putting into effect a law that burning of rubbish or grass and brush must be done before 9:00 A. M. in the morning or after 5:00 P. M. in the

evening. This was done this year and there proved to be less fires and also the man power for fighting fires was better during these burning hours in case a fire should get out of hand.

The total of Fire Permits issued was 265 for 1966 which was an increase of 50 permits.

You will note that the expense for fighting forest fires was not all matched by the State of New Hampshire. The reason for this was that a fire that was believed to have been in Bow was afterward surveyed and it was discovered that 1/3 of the land was in Hooksett. This fire was July 21, 1963 to July 29, 1963. The total cost to fight this fire was \$3,257.03 and our share of cost of this fire which was paid to Bow was \$1,065.68, without the State sharing any of the amount because this fire occurred three years ago.

### Expenditures:

Lyons Iron Works (Steel for tank on Forestry Truck)	\$105.75
8 Back Pumps fiberglass, 12 14 qt. pails, 6 axe handles, 4 single bit collins axes, 6 brass nozzles	Total 145.67
Paid Town of Bow (Share of 1963 fire)	1,065.68
All other Forest Fires	1,900.56
	<hr/>
	\$3,217.66
Refund: Sharing cost from State Forest Service	892.72
	<hr/>
	2,324.94
Total Appropriation for 1966	\$2,500.00
Total Cast to Town	2,324.94
	<hr/>
Balance	175.06

Alfred Collette,  
Forest Fire Warden

## Zoning Board Of Adjustment

### REPORT FOR 1966

The Zoning Board of Adjustment is comprised of five members-Chairman; Adelard Gagnon, Guy Campbell, Paul Howe, Melvin Johnson and Gilbert Fay.

Seven monthly meetings have been held and thirty-one requests for variance have been brought before the Zoning Board during 1966. (nos. 156-186 inc.)

Fourteen special trailer permits and renewal trailer permits have been applied for.

Five requests to install and maintain signs and one request for a sign replacement.

Five requests for zoning regulation changes.

Four requests for side line variances and one request for variance of lot size.

One request for removal of top soil.

Zoning meetings are scheduled to be held on the third Tuesday of each month when there are requests to be brought before the Board. These meetings are held at the Conference Room of the Town Municipal Building.

Respectfully submitted,  
Dorothy M. Squire, Clerk

#### INTERIM REPORT

Shortly after the Town Meeting, 1966, a bill was introduced in Congress increasing the Federal Grant under Public Law 660 for the treatment plant and main interceptor from 30 percent to 40 percent and possibly 50 percent. The application for Federal Grants was submitted to the New Hampshire Water Pollution Control Commission, but as any contract awarded prior to the passing of the bill would not qualify for the increased grant, the application was held until the final wording of the bill was known and the bill was passed. Based upon the original draft, it was assumed that bids could be taken in late fall, 1966 and that construction could start in spring 1967.

The act as finally passed, provides that the Federal Grants under Public Law 660 will be increased from 30 percent to 40 percent if the river is not classified and to 50 percent if the river is classified. The New Hampshire Water Pollution Control Commission called for the necessary public hearings and plans to classify the Merrimack River without delay. The Town will therefore qualify for 50 percent Federal Grant and for 40 percent State Grants, or for a total grant of 90 percent of the costs of the main interceptor and the treatment facilities. The increase in grant will bring the Town additional Federal funds estimated at about \$350,000.00.

The only draw-back is that the additional grants become effective on July 1, 1967. Therefore the application for grants, though filed in 1966, cannot be processed until July 1, 1967 or the Town would lose these \$350,000.

After the Federal Government approves the scope of the work which qualifies for Federal Grants under Public Law 660, an application will be filed for additional Federal Grants under the HUD program, for the construction of the laterals. Laterals are sewers not classified as main interceptors. They are mostly sewers in side streets. The HUD grants amount to 50 percent of the construction costs (not of the total costs) and they are applicable only to those laterals which can be extended.

We were informed that the Town of Hooksett will be the only community in New Hampshire, which will receive these increased Federal Grants for the fiscal year. This was made possible because due to the foresightedness of the Board of Selectmen the work is ready for bidding and because the Town appropriated its share of the construction costs.

The Grant application will be processed after July 1, 1967, and it is now expected that the work will go out for bidding towards the end of 1967.

Respectfully submitted,  
Carl S. Park, Chairman  
Melvin Johnson  
Peter Zela

---

## CIVIL DEFENSE

---

Hooksett Civil Defense has taken a step forward with the installation of two new warning systems located at the fire house at each end of town. Results testing this new equipment have been very gratifying with only a few revisions needed at the north end.

The siren has three different signals that it emits. The air-raid warning signal is a long steady blast for 3 minutes. The take cover signal is a wabbling tone with high and low tones and the fire signal a series of short blasts. Learn to identify these signals for they can be the difference between life and death.

The Mount St. Mary College shelter has been upgraded to 580 available spaces and supplies have been moved in to take care of any emergencies.

You can plainly see that our town is in desperate need of fallout shelters. Without public shelters available it becomes the responsibility of each homeowner to construct a shelter in his home and this can be done for surprisingly little cost.

I would like to remind families that they should conduct frequent fire and air-raid drills in their homes, these drills can save lives. Stock an area in your home with food and first-aid supplies and spare batteries for a transistor radio. All emergency broadcasting will be over station WFEA in Manchester. This station has been designated the emergency broadcasting station for our area.

William H. Shockford  
Civil Defense-Director

## RECREATION COMMISSION

### 1966 ANNUAL REPORT

To the Board of Selectmen and the citizens of the Town of Hooksett:

The Recreation Commission has completed several projects in various fields of recreation this year. Co-operation of school and town officials, private citizens and various businesses has made these programs possible.

At the Village School a little league size baseball field and a full size baseball field were completed and maintained in good playing condition. A utility building allotted through the town warrant was put up at the site and used to a good advantage. The Hooksett Youth Athletic Association, a volunteer group of citizens, organized one hundred twenty three boys from age eight through sixteen years into eight baseball teams fully equipped and uniformed to make good use of these fields. Projected plans for upkeep and further development in this area is planned.

A swimming program was initiated this year to get our children into the Red Cross swimming instruction courses at the Livingston Pool in Manchester. Applications were put out at the three schools and approxi-

mately one hundred eighty children responded and participated. The children were picked up at convenient bus stops by the school buses and returned after their lessons. Plans are to continue this program another year.

New fencing was installed at the Lincoln Park tennis courts and was enjoyed by many tennis players in the area.

Janitor service at the Memorial School was paid for, for use of a group of Hooksett High School boys that played in an independent basketball league in the Manchester area.

Plowing and flooding of the skating areas at Lincoln Park and the Village tennis court was carried out as usual within the limitations of the weather.

General maintenance of the ballparks, the skating and tennis areas, Jacobs Park and the Hooksett Heliport was carried out with much more work being done than shows in the budget.

### 1966 EXPENDITURES

Completion of four dugouts at baseball fields	\$ 832.00
Installation of tennis court fence at Lincoln Park	1,639.00
Swimming Program	492.15
Paving Village tennis court (partial payment)	600.00
Maintenance:	
Public Service Co. of N.H.	105.41
Skating rink (plowing & flooding)	127.26
Equipment and Supplies	147.35
Labor	353.51
<b>Total Expenditures</b>	<b>\$ 4,296.68</b>
<b>Total Appropriation for 1966</b>	<b>4,361.00</b>
<b>Balance</b>	<b>64.32</b>

## CEMETERIANS COMMISSION REPORT FOR THE YEAR OF OUR LORD 1966

The first order of business in this, our report to the citizens of Hooksett is . . .

Sincere gratefulness to our Hooksett Women's Club-- for their thoughtfulness, generosity and labor in accomplishing such a beautiful job of changing an old delapidated schoolhouse into a useful and handsome chapel and sanctuary for our bereaved at a time when people need help, consideration and kindness.

On Sunday, May 15th, 1966 -- Rev. Rene Constant, pastor of Holy Rosary Roman Catholic Church and Rev. William Heinrich, Minister of the Hooksett Congregational Church dedicated this one room former schoolhouse, built in 1839 into an interdenominational chapel. Mrs. Lionel F. LaPlante was chairman of the committee on renovations, and Mrs. Laban McCarmish was co-chairman. Felicitations to all of the women on this project, organized under Mrs. D. Everett Allen, former president of the Hooksett Women's Club.

150 people have signed the guest book at the chapel in 1966. We also have had one funeral service there at the request of the deceased. And, we have had a renewal of wedding vows blessed and performed by Rev. Heinrich there last fall.

The Cemetery Commission is in charge of this chapel building and we have appointed Mrs. LaPlante administrator with Mrs. George Robie co-administrator

and treasurer along with other women on the committee. These fine ladies are still accepting gifts for the Chapel Fund. They have plans for more modifications and would like to perform these in 1967 and later years.

The townspeople as a whole are also to be thanked, for, town funds installed the electricity, laid the carpeting, and bought other necessary items.

The chapel is open to the public weekdays whenever the caretakers are in the area. Sundays and Holidays it is open from 10:00 a.m. until dark during the summer months.

The road at Head's New Development was completed this year. It consisted of approximately 765 linear feet of roadway that had to be excavated; loam had to be distributed properly; excavation and grading was also done where needed. Six inches of gravel was its base, then the paving of the area with 2" Type 'I' asphalt -- 1" binder course and 1" surface course. Also 9 entrances to the cemetery were graded and paved.

At Martin's cemetery, Mr. Vincent's men continued ratar-tilling roads we have found to be of no value, loamed these, and graded, fertilized and seeded them. So now we have more plots within this cemetery, and it also has made a significant transition in its beauty.

Thanks to Mr. Gould, Mr. Vincent and all of our cemetery caretakers. And last but not least all of you wonderful citizens of our town for your cooperation, in this our dedication and love for our departed.

Respectfully,

Ernest Gould, Commissioner  
Hector Vincent, Commissioner  
Lionel F. LaPlante, Chairman of  
Cemetery Commission

HEADS CHAPEL DEDICATION at Hooksett was held in May 1966. A brick one room schoolhouse, built in 1839, and in most recent years used as maintenance storage facility for the cemetery was converted into an inter-denominational chapel as the President's project of the Hooksett Women's Club. Shown left to right are: Mrs. Robert Morin, Mrs. George Robie, and Mrs. Loban McCormish, co-chairman, members of the committee on renovations; Rev. Rene Constant, pastor of Holy Rosary Roman Catholic Church; Rev. William Heinrich, minister of the Congregational Church; Mrs. Lionel P. LoPlante, chairman; and Mrs. D. Everett Allen, president of the Hooksett Women's Club.

# SOUTH HOOKSETT FIRE DEPARTMENT ANNUAL REPORT

To begin our annual report for the year 1966 we submit the following statistical information which might be of interest.

A total of 49 alarms were received during the year and in answering these alarms a total of 908 manhours were needed of the department members. Fires involved property with an estimated value of \$145,-800.00 and with an estimated loss on this property amounting to \$4,-900.00. In addition the department answered four calls for mutual aid assistance, one each to Hooksett Village, the City of Manchester, and the Towns of Allenstown and Pembroke.

Sixteen alarms were for brush and forest fires, the largest of which required 151 manhours to extinguish. This fire was located in the rear of the Sky Ray Outdoor Theater.

Improvements to the Department equipment this year included two additional home receiver sets to bring the total now in service to six. It is our hope to eventually have all members so equipped. Also considered an important improvement was the electrification of two booster reels on Engine #1, our first out unit. We believe this to be very important especially during the daytime alarms when department personnel is limited. In continuing to build up our fire hose supply we were able to purchase an additional 500 feet of 1 1/2" double jacket hose to bring our supply of this size hose to almost adequate supply. Approximately 1,500 feet of 2 1/2" hose is still needed to bring this size of hose to the amount needed.

We believe it to be appropriate at this time to mention that our Engine #3 (Tanker) unit is rapidly becoming unserviceable and some thought should be given towards its replacement. This tanker is a 1939 model which makes it 27 years old and is old enough that replacement parts are not available and it is therefore becoming dangerous to be driven at high speeds upon the highways. Some definite action is contemplated for next year.

Four of our members attended the fire training school in Laconia, New Hampshire this year. Deputy Chief Leon C. Boisvert and Captain Enver J. Silkman were awarded certificates on Fire Department Administration. Firemen Norman Morrisette and Darryl Wagner were awarded certificates on Fire Fighting.

After many years of service with the department it was with sad regrets that we accepted the retirement of Oscar Marin Jr. Mr. Marin was honored at the regular meeting of November 1966 and was at that time presented a suitable plaque in recognition of his many years of service.

Four resignations were accepted during the year. Resigning from the Department were John Fernandes, Albert Labonville, Robert Marin and Alfred W. Dyer.

As a replacement for the resignations mentioned above five new members were appointed as regular firemen. They are Robert F. Gonzales, Donald E. Valliere, Kenneth Silkman, Paul Laroque and Marcel Labonville. All members attended the required training course prior to appointment.

A total of 38 permits were issued for the installation of power oil burner equipment. Of this total 5 required re-inspection before operating permits could be issued.

Alfred J. Law, Chief

# FIRE DEPARTMENT NO. 1

## HOOKSETT VILLAGE FIRE DEPT. NO. 1

### 1966 REPORT

During 1966 this Department answered forty-five alarms. This is an increase of seven alarms over 1965.

#### 12 Brush and Forest Fires

#### 5 House Fires

#### 1 Electric Motor in Gravel Plant

#### 1 Washing Machine Fire

#### 10 Car Fires

#### 6 Mutual Aid Fires

#### 7 Calls for use of resuscitator

#### 3 Still Alarms

During 1966 we have inspected the installation of forty-four new oil burner heating equipment. We found nine not within the requirements. These were corrected and reinspected.

The roof on the Fire Dept. No. 1 Station was leaking very badly so a new gravel pack roof and cap all around were added and the cost was \$960.00. This job is guaranteed for thirty years.

In 1966 we have painted all the inside of the Station and this coming year we are hoping to paint the outside. The Civil Defense have installed a new Warning Signal and hope this will serve as a warning of Fire, Air Raid or any emergency that may take place.

At this time I would like to thank all my Officers and men for the wonderful cooperation given me during the year, such as painting the station and standing by at the station on Saturday and Sundays during High Fire index. I would also like to thank my Deputy Mr. Gerard Lambert and his wife for the wonderful cooperation in serving the Public by answering the phone for fire calls when most men are out of town during working hours.

Respectfully submitted,  
Alfred Colletterie, Fire Chief

## LIBRARY REPORT

The Library again enjoyed a good year, with a total circulation of well over five thousand books. One thousand and fifty nine (1,059) books were on loan to us through the State Bookmobile, and sixty six (66) direct loans were made through the State Library at Concord. One hundred and sixty seven (167) books were added to the collection. A few were gifts, the rest were purchased. Last summer some willing workers from the local Woman's Club started the tedious job of cataloging the books in the Library. This was never before done in the history of the Library, and it will be many months before it will be finished, since there are about forty-four hundred (4,400) books to do. We are grateful for their assistance, and anyone who would like to contribute any time to this project has only to mention that fact and we will be glad to add them to the crew. It doesn't take an expert, but it helps if you can type.

New chairs have been purchased, and we now have a sign out front. What we really need next is more space.

The Library is now open on Wednesday evenings from 7-9, as well as Saturday afternoon from 12-4.

We invite your patronage.

Evelyn L. Howe, Librarian

New Equipment for 1966

## Report Of The Road Agent

To the Honorable Board of Selectmen and Citizens:

I herewith submit for your approval my fourth annual report as Road Agent for the year ending December 31, 1966.

### RUBBISH COLLECTION

Rubbish pick-up still is on the increase due to additional homes.

The town dump is opened Thursdays, Fridays and Saturdays, from 9:00 a.m. to 6:00 p.m. It is closed on all holidays.

Labor	\$ 8,732.25	Budget Appropriation	\$12,000.00
Police & Fireguard	1,999.50		
Materials & Supplies	1,384.57		
	\$12,116.32		

### WINTER

We have used 623 tons of sand and gravel, 144 tons of salt and 35 tons of cold patch, plant mixed asphalt for the upkeep of the town roads.

Labor	\$10,723.51	Budget Appropriation	\$17,500.00
Loader and truck hire	2,795.00	Credits	2,955.75
Materials & Supplies	6,837.50		\$20,455.75
	\$20,456.01		

### SUMMER

We have used 1,034 tons of sand & gravel and 176 tons of plant mixed asphalt. Three new man holes have been added and 140 feet of culvert pipe has been replaced. The Town of Hooksett now has 132 man holes and 350 culverts to maintain.

Labor	\$12,089.10	Budget Appropriation	\$17,500.00
Materials & Supplies	6,708.32	Credits	1,854.92
Loader & truck hire	557.50		\$19,354.92
	\$19,354.92		

### NEW CONSTRUCTION AND RESURFACING

Laying asphalt and curbing on Reading St. circle --- Asphalt on corner of Highland Street and Granite Street --- Asphalt on corner of Highland Street and Dundee Ave. --- Erecting Granite Street wall.

\$ 1,782.05

Plant mixed asphalt on Goonan Road, Scott Avenue, Berry Hill Road and White Hall Terrace.

\$ 8,366.23

Purchase of Crush bank run from Manchester Sand and Gravel and Plourde Sand & Gravel.

\$ 851.72

Budget Appropriation \$11,000.00 \$11,000.00

#### GENERAL EXPENSES

Telephone & Lights	\$ 334.26	Budget Appropriation	\$ 4,500.00
Fuel for Garage	407.19	Credits	116.85
Air Compressor	192.50		\$ 4,616.85
Snow Blower	280.00

Bernard M. Zapora, Road Agent

## Planning & Developing Committee

The past year has been an active one for Planning Board members Warren Harvey, Chairman, Albert Beauchesne, Co-chairman, Ralph Page, Nelson Lambert, Roland Levesque, Ronald Therrien and Armand Roberge. Fifteen regular meetings, seven special meetings and several Public Hearings on requests for zoning amendments have been held since March of 1966.

The Subdivision Ordinance was adopted by the voters at the 1966 Town Meeting. Several new subdivision plats have been submitted to the Board under these regulations. After March of 1967 all incompletd portions of previously filed subdivision plans will require Planning Board approval.

The Planning Board interviewed five planning consultants for the proposed Urban Planning Assistance Program. The firm of Metcalf & Eddy has been selected but final arrangements are subject to the approval of additional funds at the 1967 Town Meeting.

In October of 1966 the Town of Haaksett was invited to participate in the Southern New Hampshire Planning Commission as observers. Mr. Albert Beauchesne and Mr. Conrad Crateau were recommended by the Planning Board and appointed by the Selectmen to serve in this capacity.

Respectfully submitted  
Barbara Tassie, Clerk

# DIVISION OF MUNICIPAL ACCOUNTING

## STATE TAX COMMISSION

Concord, New Hampshire

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 9, 1967

Board of Selectmen

Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hooksett for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Municipal Court and Trustees of Trust Funds.

### FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1965 - December 31, 1966:  
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$4,999.58 in 1966.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

	<u>Increase in Net Debt</u>	
Long Term Notes Issued		\$29,000.00
	<u>Decrease in Net Debt</u>	
Long Term Notes Paid	\$16,466.66	
Net Budget Surplus	<u>7,533.76</u>	
		24,000.42
	<u>Net Increase</u>	<u>\$ 4,999.58</u>

### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 & A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,491.58, plus a net unexpended balance of appropriations of \$4,042.18, resulted in a net budget surplus of \$7,533.76.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966, is indicated in Exhibit B-2.

### Municipal Court: (Exhibit G)

A statement of the Municipal Court accounts for the fiscal year is included in Exhibit G.

### Statement of Long Term Indebtedness: (Exhibit H)

A Statement of outstanding long term indebtedness as of December 31, 1966, showing annual debt service requirements, is contained in Exhibit H.

### AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source in-

sofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

#### GENERAL COMMENTS

##### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased by \$7,533.76, from \$18,737.61 to \$26,271.37 in 1966, as shown herewith:

	<u>December 31, 1965</u> (Revised)	<u>December 31, 1966</u>
<u>Total Assets</u>	\$293,332.27	\$286,319.85
<u>Current Liabilities</u>	274,594.66	260,048.48
<u>Current Surplus</u>	\$ 18,737.61	\$ 26,271.37

##### Surety Bond:

The surety bond of the Town Clerk should be increased from \$10,000.00 to \$15,000.00.

##### Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Hooksett for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

HGF:bjm

Edgar O. Pesquera, Auditor  
Stephen D. Pladzick, Accountant

##### Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hooksett for the fiscal year ended December 31, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler

# SCHOOL WARRANT

## THE STATE OF NEW HAMPSHIRE

### TO THE INHABITANTS OF THE SCHOOL DISTRICT IN THE TOWN OF HOOKSETT QUALIFIED TO VOTE IN DISTRICT AFFAIRS:

You are hereby notified to meet at the Hooksett Memorial School in said District on the 11th day of March 1967 at two (2) o'clock in the afternoon, to act upon the following subjects:

1. To see if the District will vote to accept the provisions of Public Law 89-10 (Elementary and Secondary Education Act of 1965) designed to improve educational opportunities with particular reference to children of low-income families, and to appropriate such funds as may be made available to the District under said Federal Act for such particular projects as may be determined by the School Board. Further, to see if the District will authorize the School Board to make application for such funds and to expend the same for such projects as it may designate.

2. To see if the District will authorize the School Board to accept on behalf of the District, all Federal or State Funds for the aid of Education or School Construction, should any such funds become available.

3. To see if the Town will authorize the School Board to sell a strip of land adjacent to the land owned by Clarence W. and Marjorie E. Hitchcock on S. Main Street to Clarence W. and Marjorie E. Hitchcock for the sum of one thousand dollars (\$1,000.00). Said land described as follows: beginning at a stake at the Northeast corner of the school land Southerly for 25' along South Main Street, then in a Westerly direction for 100'; then in a Northerly direction for 25' to the present boundary line; thence Easterly for 100' to the point of beginning.

4. To see if the Town will vote to raise and appropriate a sum not to exceed six thousand five hundred dollars (\$6,500.00) for the purchase of a walk-in freezer and refrigerator to be installed at the Underhill School. This sum to be borrowed on the credit of the Town and amortized over a period of six (6) years. Yearly payments to be withdrawn from the School District Capital Reserve Fund.

5. To see if the Town will vote approval for the ball field in the rear of the Village School to be henceforth known as THE ARTHUR DONATI MEMORIAL FIELD and that a proper Memorial be erected to identify it as such.

6. To see if the District will vote to authorize the School Board to construct an addition to the Village School; said addition and renovation of existing facilities to bring classroom space to eighteen (18) rooms with cafeteria-auditorium and such other space and equipment as deemed necessary by the School Board for this purpose; and to execute any and all contracts or agreements and to make any and all purchases of supplies and materials necessary in connection with the construction of said addition; and to see if the District will vote to authorize its School Board to borrow a sum of money not to exceed four hundred seventy-five thousand dollars (\$475,000.00) on the credit of the District by the issue of Serial Bonds as provided in RSA-33 for the purpose specified herein and to determine the time and place of payment and the form of said Bonds and the rate of interest.

7. To see if the District will vote to accept the Budget as submitted by the Budget Committee, or take any other action in relation thereto.

8. To transact any other business which may legally come before said meeting.

Given under our hands and seal this 21st day of February in the year of our Lord, Nineteen Hundred and Sixty-seven.

James E. Van Vliet  
Arthur B. Sanborn  
Gerard A. Handley  
School Board of Hooksett, N.H.

### A True copy of Warrant-Attest:

James E. Van Vliet  
Arthur B. Sanborn  
Gerard A. Handley  
School Board of Hooksett, N.H.

Note: Election of District Officers will be held on  
Town Meeting Day.

## REPORT OF SCHOOL TREASURER

FISCAL YEAR JULY 1, 1965 - JUNE 30, 1966

Cash on hand July 1, 1965 (Treasurer's Bank Balance)	\$ 15,433.04
Received from Selectmen	\$380,179.61
Received from State Sources	47,963.61
Revenue from Federal Sources	4,904.11
Received from all other sources	<u>779.33</u>
Total Receipts	435,626.66
Total amount available for fiscal year (Bal. and Receipts)	451,059.70
School Board Orders Paid	<u>443,426.72</u>
Balance on hand June 30, 1966 (Treasurer's Bank Balance)	\$ 7,632.98
Federal monies toward '66 - '67 not yet spent	1,603.60
-----	
Partial Breakdown of Receipts:	
Total Title I advance	\$ 4,616.20
Sweepstakes Revenue	18,328.33
NDEA Title III, rec.	286.43
State Foundation Aid	<u>17,155.32</u>

Pauline M. Woodworth, Treasurer

## SCHOOL BOARDS REPORT

Perhaps one of the most difficult tasks of a School Board comes when one must sit down and evaluate the time and effort spent in the many meetings with the Superintendent and Assistant Superintendent, the Principals, teachers, parents, students and many others in the continuing effort to insure the smooth operation of the school system.

As the many routine duties of the year pass in review, it becomes seemingly impossible to associate them with the means by which the student becomes educated. Nevertheless, the combined efforts of all those involved in the schooling process; those who write the texts, those who administer, those who teach, are needed to prepare our children for the responsibilities ahead of them. Yet, when the reports come in that some who have graduated and gone on to secondary school and dropped out, one cannot help but wonder if there is something left undone that would have inspired this child to put forth a greater effort to get this diploma which is such a necessary instrument in today's society.

We have a fine teaching staff headed by three very capable men; Mr. Lord at Hooksett Memorial School, Mr. Shea at the Fred C. Underhill School and Mr. Cawley at the Hooksett Village School. Under the excellent supervision of our Superintendent, Mr. Gray, our Assistant Superintendent, Mr. Schoepf, and our Principals, our curriculum has been geared to bring out the best in the student; those who learn slowly and those who learn more rapidly.

With the completion of the addition to the Underhill School, we now have space there to care for the growth in that area. We are now utilizing eight of the available rooms at Memorial School and another will be put into use next year. With the rapid building of new homes in the Village area, we are near full capacity in the Village School. It has become necessary to have some pupils eat their lunches in classrooms as there is a lack of dining room area. Next year it will become necessary to put into use as a regular classroom the room now used as a music room.

During the year some Federal Aid to Education has been available for our use. Under TITLE I of the Elementary Secondary Education Act a program to improve the reading of those in need was undertaken. An inservice workshop for teachers, given by the University of New Hampshire, concerning the teaching of reading to the educationally disadvantaged school child was completed. Material and equipment was procured to implement this program. Non-instructional aids were hired to allow teachers and principals the opportunity to spend time with small groups in the classroom.

Under TITLE II of the ESEA, funds were allotted to the Supervisory Union. This has resulted in a great deal of library material; film strips, etc., being available to the District.

Under TITLE III of this Act a regional program to acquaint pupils with the various fields of the Arts is now functioning under the direction of the Manchester Institute of Arts and Sciences.

In concluding this report we want to thank all those who have helped to fulfill our tasks. A special "thank-you" goes to those dedicated groups and individuals, who, through their efforts working with and for the youth of our town, have contributed immeasurably to their growth.

James E. Van Vliet  
Arthur B. Sanborn  
Gerry Handley

## SUPERINTENDENT'S REPORT

### Hooksett Elementary Schools:

	*ADM	
1966-67 (Dec.)	747.9	The elementary school memberships are shown at the left and show a continuous and, sometimes, rapid growth. Our membership next year may well be close to 850.
1965-66	720.2	
1964-65	675.0	
1963-64	657.8	
1962-63	605.4	
1961-62	527.9	

### \*Average Daily Membership

Hooksett's school population continues to grow significantly, and it is a bold person who dares today to predict what "tomorrow" will bring. Under these circumstances, which force increased educational costs in addition to what a "normal" spiral of inflation brings, it is regrettable that Hooksett's state aid to education has been cut. Hooksett has lost \$17,000 in state foundation aid and \$6,000 in sweepstakes, which comes as a severe blow to the property owner. To be fair about this, it should be stated that Hooksett's equalized valuation, used in figuring foundation aid, went from \$16,700,000-\$22,300,000 in a two-year period. Increased school enrollments were not enough to offset this increase in valuations. In spite of this, it would seem highly desirable to have some phases of state aid stabilized. Better still would be to increase aid enough to absorb greater costs and thus level off the school tax rate on property. If the state law were fully funded, Hooksett would receive over \$86,000 in foundation aid!

The teacher shortage during the hiring season for the past year was the greatest we have ever experienced. If this shortage continues, and everything indicates it will, beginning salaries will rapidly increase, and only those systems paying a premium will be staffed with well-qualified personnel. The greatest injustice of a rising minimum is to those teachers of experience (a few or many years) who, unless given adjustment raises, receive not much more than beginners. This minimum has changed almost every year in the last 20. With the continued shortage of teachers and the spiral of inflation, this trend can be expected to continue.

Hooksett should feel proud of its buildings, its organization, and its staff. Although we do not have a modern junior high school program, we try to do well whatever is undertaken. With a fast growing enrollment this is about all that we can "reasonably" do. In fact, everyone connected with the Hooksett Schools is highly dedicated to the job at hand. This, in the long run, permits good education.

Respectfully submitted,  
C. Maurice Gray  
Superintendent of Schools

## STATISTICAL REPORT

## DIVISION OF MUNICIPAL ACCOUNTING

### STATE TAX COMMISSION

Concord, New Hampshire

### SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 21, 1966

The School Board  
Hooksett School District  
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hooksett School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

### FINANCIAL STATEMENTS

#### Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein the Net Debt increased by \$202,284.58 during the fiscal year ended June 30, 1966.

#### Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

#### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net

unexpended balance of appropriations of \$9,620.69, less a revenue deficit of \$1,311.99, resulted in a net budget surplus of \$8,308.70.

#### Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit E-2.

#### School Lunch Program Account: (Exhibit F)

A statement of the School Lunch Program account is included in Exhibit F.

#### Building Fund Account: (Exhibit G)

A statement showing the activity in the Building Fund account during the fiscal year is presented in Exhibit G.

#### School Tax Account: (Exhibit H)

Exhibit H presents a statement of the School District Tax account with the Town of Hooksett. As indicated therein, as of June 30, 1966, the School District had received from the Town the total of the 1965-66 School Tax in the amount of \$380,179.61.

#### Statement of Long Term Indebtedness: (Exhibit I)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit I.

### GENERAL COMMENTS

#### Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased from \$14,710.14 to \$9,031.60 during the fiscal year ended June 30, 1966, as shown herewith:

	<u>June 30, 1965</u>	<u>June 30, 1966</u>
<u>Total Assets</u>	\$18,537.02	\$21,808.96
<u>Current Liabilities</u>	<u>3,826.88</u>	<u>12,777.36</u>
<u>Current Surplus</u>	\$14,710.14	\$ 9,031.60

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hooksett School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Certificate of Audit

This is to certify that we have examined and audited the accounts of the Hooksett School District for the fiscal year ended June 30, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

**REPORT OF COMMISSIONERS**

Expansion of the system and the problem of adequate future water supply continue to be the principal problems facing the Precinct at the present time. During the past year mains have been extended a total of 3,257 feet in five separate housing developments with the addition of 29 services and 3 hydrants. Indications, as of this writing, are that the rate of growth will be increased during the next year and thereafter.

In order to provide an adequate supply of water to meet the increased demand the Board has completed and put into operation the program for increased pumping capacity authorized at the 1964 Annual Meeting, and has, in addition, during the last year initiated a program of exploration for the development of future water supplies. In 1966 activity along this line took the form of two projects, first an investigation of Head's Pond as a potential water supply and secondly well exploration off Route 3-A, adjacent to the Merrimack River.

The results of a study by the New Hampshire Water Pollution Board and the Precinct's engineers, Whitman and Howard, indicated that Head's Pond would yield an adequate quantity of water but of poor quality requiring a filter plant and considerable treatment, at great cost, to overcome the high color and other defects and permit it to be used as a Public Water Supply. Results of a limited well testing program, in which the Precinct invested approximately \$2,000.00, was likewise unsatisfactory. A total of six test wells were drilled on a tract of land, off Route 3-A, which had been offered to the Precinct for a well supply, and here again one of the wells indicated a yield of 400 GPM, but the water was found to have a very high iron content and would not meet the State requirements for a Public Water Supply.

The Board of Commissioners feel, however, that a continuing investigation of potential future supplies of water is essential to the Precinct and have accordingly asked the voters to appropriate \$2,500.00 to continue this program in the coming year so that tests can be made of other areas.

The metering program was continued during the past year, with the addition of 58 meters, and it is anticipated that with the money requested in this year's budget the program will approach the half way mark during the next year.

In addition the painting of the standpipe and the pipe on the Merrimack River bridge has been completed and negotiations were undertaken to purchase additional land on the shore of Pinnacle Pond which will provide greater protection of the Precinct's principal water supply. This acquisition is particularly important at this time since it forms a buffer zone, so to speak, between the Pond and a new housing development recently started in this area. An article has been inserted in this year's Warrant to raise the necessary funds for this purpose.

## STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE HOOKSETT VILLAGE WATER PRECINCT IN THE TOWN OF HOOKSETT AND COUNTY OF MERRIMACK IN SAID STATE QUALIFIED TO VOTE IN SAID PRECINCT AFFAIRS:-

You are hereby notified to meet at the Odd Fellows Hall in said Precinct on Saturday the 18th day of March next, at two o'clock in the afternoon to act upon the following subjects:-

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Water Commissioner for the ensuing five years.
4. To choose a Treasurer for the ensuing year.
5. To raise such sums of money as may be necessary to defray Precinct charges for the ensuing year and make appropriations of the same.
6. To see if the Precinct will vote to approve the action of its Board of Water Commissioners in purchasing the tract of land, 200 feet wide and approximately 185 feet in length lying between the Heather Home Development and Pinnacle Pond, for the sum of \$1,-750.00 and to authorize said Board to withdraw from the Repair and Replacement Fund the sum of Twelve hundred fifty (\$1,250.00) Dollars to pay the balance due on said land.
7. To see if the Precinct will vote to authorize the Board of Water Commissioners to continue its program of exploration for a future water supply for the Precinct and to authorize said Board to withdraw from the Repair and Replacement Fund the sum of Twenty-five hundred Dollars (\$2,500.00) for this purpose.
8. To transact any other business that may legally come before said meeting.

The polls will close at 4 P. M. The Warrant will be discussed at 7 P. M.

Given under our hands and seal this 30th day of January, in the year of our Lord nineteen hundred and sixty-seven.

## STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE CENTRAL HOOKSETT WATER PRECINCT IN THE TOWN OF HOOKSETT AND COUNTY OF MERRIMACK IN SAID STATE QUALIFIED TO VOTE IN SAID PRECINCT AFFAIRS:-

You are hereby notified to meet at the Underhill School in said Hooksett on Wednesday the 8th day of March next at seven-thirty o'clock in the evening, to act upon the following subjects:-

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Water Commissioner for the ensuing five years.
4. To choose a Treasurer for the ensuing year.
5. To raise such sums of money as may be necessary to defray Precinct charges for the ensuing year and make appropriations of the same.
6. To see if the Precinct will vote to authorize its Board of Water Commissioners to withdraw the sum of \$3,000.00 from the Precinct's Repair and Replacement Fund and to expend said sum for the purpose of pointing the Standpipe and partially defraying the expense of repairs to the pump in Well No. 1.
7. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 9th day of February, in the year of our Lord nineteen hundred and sixty-seven.

## FIRE RECORD

Fire records are made by people---those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidents (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres --- a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is of your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important - instruct your children that matches are not play things.

TRULY - ONLY YOU CAN PREVENT FOREST FIRES

Hooksett	9 Fires	13 Acres burned	229 Permits issued

I HEREBY CERTIFY THAT THE ABOVE RETURN IS CORRECT, ACCORDING TO THE BEST OF MY KNOWLEDGE AND BELIEF.

JOYCE A. EMERSON, Town Clerk

*To My Friends:*

*As you finish reading this Town Report for 1966 and close the covers of this book, so too, will I be closing the covers of a book, which if written would be of twenty-one years spent as a Selectman of our Town.*

*It was you the voters of Hooksett which made it possible for me to remain in Office for this many years. I wish to thank each and every one for the confidence which you have placed in me.*

*I also would like to express my thanks to all of the other Town Officers, Members of Committees, and Commissioners who have served faithfully with me over these past years. It is not a one mans' job, but the continued effort of all concerned, makes for a more efficient and better Town. I can only say that it has been a pleasure and privilege to have had a small part in the progress of our Town for the past twenty-one years.*

*Again, I extend my most sincere thanks to you all.*

*Sincerely yours,  
James G. Follansbee*
